

Stats300b Problem Set 5
Due: Thursday, February 18, 5:00pm Gradescope

Exercises [2.10](#), [2.11](#), [7.17](#), [9.1](#).

If you get stuck on questions [2.10](#) and [2.11](#), we'll be happy to just give you the answer, as they're important for exercise [7.17](#).

Additional question: Approximately how long did it take you to complete this homework?
